FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.204, effective March 1, 2008, sets the reimbursement guidelines for the disputed service.
3. The services in dispute were reduced/denied by the respondent with the following reason codes:
 - W1-Workers' compensation jurisdictional fee schedule adjustment.
 - W3-In accordance with TDI-DWC Rule 134.804, this bill has been identified as a request for reconsideration or appeal.

Issues

Is the requestor entitled to additional reimbursement?

Findings

On the disputed date of service the requestor billed CPT code 99456-WP.

- 28 Texas Administrative Code §134.204(j)(3)(C) states “The following applies for billing and reimbursement of an MMI evaluation. An examining doctor, other than the treating doctor, shall bill using CPT Code 99456. Reimbursement shall be \$350.”

The requestor billed CPT code 99456 because the examination was performed by a designated doctor.

- 28 Texas Administrative Code §134.204(j)(4)(C)(iii) states “If the examining doctor performs the MMI examination and the IR testing of the musculoskeletal body area(s), the examining doctor shall bill using the appropriate MMI CPT code with modifier “WP.” Reimbursement shall be 100 percent of the total MAR.”
- 28 Texas Administrative Code §134.204(n)(18) states “The following Division Modifiers shall be used by HCPs billing professional medical services for correct coding, reporting, billing, and reimbursement of the procedure codes. The “WP” modifier is defined as “Whole Procedure--This modifier shall be added to the CPT code when both the professional and technical components of a procedure are performed by a single HCP.”

A review of the requestor’s billing finds that the “WP” modifier was appended to CPT code 99456 to designate that the provider had performed the MMI examination and the IR testing.

The maximum allowable reimbursement (MAR) for CPT code 99456-WP is:

- 28 Texas Administrative Code §134.204(j)(1) states “Maximum Medical Improvement and/or Impairment Rating (MMI/IR) examinations shall be billed and reimbursed as follows:
(1) The total MAR for an MMI/IR examination shall be equal to the MMI evaluation reimbursement plus the reimbursement for the body area(s) evaluated for the assignment of an IR.
- 28 Texas Administrative Code §134.204(j)(4)(C) states “For musculoskeletal body areas, the examining doctor may bill for a maximum of three body areas.”
- 28 Texas Administrative Code §134.204(j)(4)(C)(ii) states “The MAR for musculoskeletal body areas shall be as follows.
(I) \$150 for each body area if the Diagnosis Related Estimates (DRE) method found in the AMA Guides 4th edition is used.
(II) If full physical evaluation, with range of motion, is performed:
(-a-) \$300 for the first musculoskeletal body area; and
(-b-) \$150 for each additional musculoskeletal body area.”

A review of the Designated Doctor report finds that a full evaluation with range of motion was performed on the left shoulder; therefore, the MAR is \$300.00 for IR per 28 Texas Administrative Code §134.204(j)(4)(C)(ii)(II)(a) and \$300.00 for the MMI examination per 28 Texas Administrative Code §134.204(j)(3)(C).

The Division finds that the total allowable for the MMI/IR evaluation is \$650.00. The respondent paid \$500.00. As a result, the requestor is entitled to reimbursement of \$150.00.

Conclusion

For the reasons stated above, the Division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$150.00.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code Sections 413.031 and 413.019 (if applicable), the Division has determined that the requestor is entitled to additional reimbursement for the services involved in this dispute. The Division hereby ORDERS the respondent to remit to the requestor the amount of \$150.00 plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this Order.
